After work Ralph spends his time taking pictures at parks and unique sights including the railroad behind his job at Bank of America.

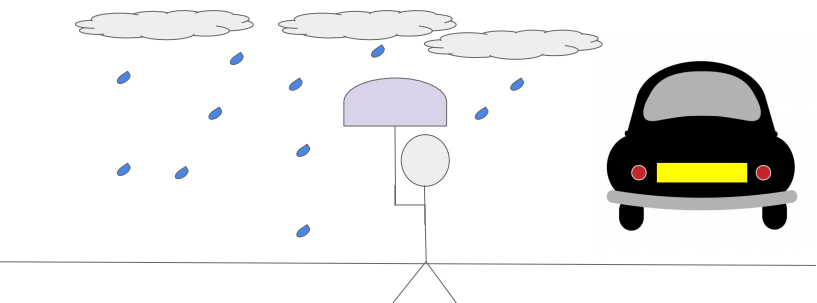

Ralph gets a notification on the hourly weather update and in an hour there will be heavy showers.

It is about to rain in 15 min! Get your umbrella.

The hourly weather warns Ralph to have an umbrella on hand in 15 min.

After Ralph saw the notification, he sprints to his car to get the umbrella and prepare for the unexpected rain.

The rain pours on Ralph but he is prepared with his umbrella.

Ralph gets back to the railroad to take more pictures for his portfolio.
